There's Still Time!!!

Don't put it off any longer!!! Rooms are going fast for the 2006 Vetech Users Meeting in Austin Texas at the Lakeway Inn Resort & Conference Center on **September 15th – 17th**. Deep in the Heart of Texas, the Lakeway Resort is located 18 miles northwest of downtown Austin and 40 minutes from the Austin Bergstrom International Airport.

The Lakeway Inn is a fabulous destination in itself. Located on the shores of Lake Travis, the Resort features newly remodeled guest rooms, breathtaking spa, new concept restaurants, 5,200 Sq. ft. Glass Ballroom, new meeting rooms with dramatic views of the lake and a kid's camp. The new Lakeway Resort and Spa is an ideal destination to come and experience Life at the Lake. Once we break from our meeting you can take some time to enjoy the many resort activities.

Choose between:

Four championship golf courses -- Play tennis at the World of Tennis
Rent a boat or jet ski -- Charter a fishing guide for some of the best bass fishing in Texas or just relax and lay by the pool. And if you are a night owl, don't forget that Austin is also the "Live Music Capital of the World".

Some of the topics we will cover will include:

- Medical Records & Going Paperless
- Third Party Integration
- Custom Reports & Queries
- Security
- Preview of Future Versions
- Overview of New Computers & Peripherals
- Wish List Session

We have arranged for a block of rooms at the Lakeway Inn Resort & Conference Center with a special room rate of \$179 per night. Mention that you are attending the VETECH Software meeting when making your room reservations. Their reservation line is 800-98DOLCE.

Please call us today at 800-677-8832 and reserve your spot for the conference See you there!

Thought for the month: [Always be nice to your children because they are the ones who will choose your rest home.](#)

VETECH Software Services is an Official Distributor For Lifelearn, Inc.

VETECH Software has partnered with Lifelearn, Inc. and is now an official distributor for Lifelearn's veterinary multimedia education products. More specifically, VETECH Software is working to build an interface to allow users to utilize Lifelearn's extensive library of client education handouts directly from the Advantage for Windows[®] software. Now your clients can have the benefit of professionally written, illustrated (over 1700) articles on eight small animal topics (842 articles) and one equine topic (55 articles).

Simply speaking, **INFORMED CLIENTS ARE BETTER CLIENTS.** Good quality and timely client education is the key to client compliance. After all, marketing a professional service is impossible without focusing on educating the client.

With Lifelearn's 897 illustrated handouts installed in your practice computer system, there is little chance that a client will leave your practice without an information sheet, customized with your practice's identity and personalized to the patient's needs.

Features include:

- Integration with the Advantage for Windows[®] software
- Content written by practice experts and reviewed by practitioners
- Thorough, yet simple, client-friendly and easy-to-read
- Multiple color images per article including medical illustrations, photographs and cartoons
- Content editable, and customizable using MS Word[®].
- Easy, fully automated, letterhead customization feature
- Fast, flexible search engine launched from your desktop
